

**Date:** April 9, 2021  
**To:** Seasonal Resort Customers  
**Re:** COVID-19 Update: Ontario Restrictions  
**From:** Killam Apartment REIT

---

In response to the rapid increase in COVID-19 transmission in Ontario, a provincewide stay-at-home order has been put in place effective Thursday, April 8<sup>th</sup>. While we fully support the public health regulations, we do regret that these increased restrictions have some impact on the way we welcome our seasonal resort residents to the park.

Please review the following information from the Ontario provincial government, to determine if you are allowed by public health authorities to visit our Seasonal Resorts:

1. You may visit your trailer or recreation vehicle if, and only if:
  - a. You are in need of housing (i.e. do not have another permanent residence in the province), and
  - b. You have a full season contract to occupy.
  
2. Killam will also abide by the following directives:
  - a. Only campsites with electricity, water services and facilities for sewage disposal may be provided.
  - b. All recreational facilities in the campground and all other shared facilities in the campground must be closed.
  
3. In addition to the items above, all shared washrooms and showers will also remain closed during this time. Facilities must be available in your trailer or recreational vehicle.

We remain committed to supporting the directives of our provincial and federal public health departments. As always, public health recommendations will be monitored and any changes communicated, as required.

Sincerely,

Killam Apartment REIT
